

# Christopher A. Hynes, JD, CFP®

As one of approximately 2,000 attorneys who are also Certified Financial Planners™, Chris Hynes' education, training and experience furnish him with a unique perspective on complex tax structures, issues and strategies. Chris is currently a Director at Tax Law Solutions, an advanced tax consulting firm founded by 2 former Deloitte Tax Managers 13 years ago. TLS has helped over 6,000 individual owners of small and middle market businesses permanently reduce their annual income taxes by 30-40%, on average. In addition to designing and implementing new tax structures for TLS's clients, Chris's job is to educate business owners, their CPAs, attorneys and financial advisors in an effort to achieve effective collaboration for the benefit of the client.
