

DAVID S. MCLAREN, CPA, CGMA, CRFAC, ABGOV, RFI

David S. McLaren, CPA, CGMA, CRFAC, ABGOV, RFI and his firm, McLaren & Associates, CPAs PC specialize in dynamic strategic tax planning and tax preparation; as well as fraud detection and deterrence, forensic accounting and audits, profitability analysis and advisory services, divorce, international tax consulting, and estate planning. McLaren & Associates also specializes in preparing business valuations for: the purchase and or sale of a business, Trust and Estates, divorce, and litigation. Mr. McLaren and his team focus on business clients' futures by business building and working with them to increase their profits and cash flows.

The team at McLaren & Associates consists of three Certified Public Accountants (CPAs), four additional accountants, two bookkeepers, and multiple support team members. In addition to CPA's, we also have the following designations; CGMA (Chartered Global Management Accountant), CRFAC (Certified Forensic Accountant), ABGOV (Certified Governmental Forensic Accountant), and RFI (Registered Forensic Investigator). Our team services a variety of clientele, including individual clients, corporations, partnerships, LLCs, and trusts and estates.

They specialize in the service industries, including but not limited to construction, tradesmen, physicians, consultants, financial advisors, insurance brokers, real estate brokers and investors, restaurants, auctioneers, automotive, retail, biotech, and self-employed individuals as well as light manufacturing. Mr. McLaren's team also handles international clients, and foreign tax filings.

David S. McLaren, CPA, CGMA, CRFAC, ABGOV, RFI is a Certified Public Accountant in the State of Massachusetts and is a member of the American Institute of CPAs (AICPA), the Massachusetts Society of Certified Public Accountants (MSCPA) and the American Board of Forensic Accounting (ABFA). Mr. McLaren became a Certified Global Management Accountant (CGMA) in 2012. Mr. McLaren became a Certified Forensic Accountant (CRFAC) in 2016. He became a Governmental Forensic Accountant (ABGOV) in 2017. He is also a member of MENSA, the Corridor 9 Chamber of Commerce, Business Networking International (BNI), and ProVisors.

Mr. McLaren has been working in the field of accounting for over 33 years, including 22 years as a CPA. In addition to his years of experience as a CPA, Mr. McLaren has over 24 years of experience in forensic accounting and fraud investigations, and over 13 years of experience in valuations and breach of fiduciary cases. Mr. McLaren personally spent over 200 hours last year in continuing education pertaining to taxes, tax law, and forensics. This is 160 hours over the Massachusetts State requirements for recertification.

The team at McLaren & Associates has performed numerous valuations and fraud/forensic cases, and Mr. McLaren has testified in court as an expert witness on numerous cases as well. Mr.

McLaren has been declared an expert witness in the Worcester County Courts.

Some cases that Mr. McLaren was declared an expert in taxes and forensics include:

Och v. Moran

Moran v. Jacobs, Vellela & Kerr

Pawlowicz v. Harmon
